

WHAT POLICY MEASURES FOR ENERGY TRANSITION IN EUROPE?

24-25 April 2014

Venue :

Centre de conférence Capital 8
32 rue Monceau – 75008 Paris, France

Thursday, 24th April, 2014

10:00-10:05 **Welcome and introduction**

10:05-12:45 **Session I: EUROPEAN ENERGY POLICY TO SUPPORT TRANSITION**

Presentations, Roundtable

Issues for the Roundtable:

- *How to achieve stable and transparent regulatory framework?*
- *What went wrong with previous EU energy and climate policy measures?*
- *What is missing in the EU Energy Efficiency policy?*
- *Why one target is more effective than several targets?*
- *How to restructure EU State Aid framework?*

12:45-14:15 Lunch

14:15-15:45 **Session II: CO₂ FRAMEWORK AND EMISSION TRADING SYSTEM**

Presentations, debate

Issues for the debate:

- *Why the EU ETS needs to be reformed?*
- *How much do the ambitious objectives of CO₂ (in the absence of a global commitment) influence the EU economy?*
- *Can we achieve 2030 objectives only with RES and energy efficiency?*

- *How to move forward with CCUS?*

15:45-16.15 Coffee Break

16.15-17.45 Session III: ENERGY SECURITY & CAPACITY MECHANISMS

Presentations, debate

Issues for the debate:

- *How the electricity market design could cope with the growing share of RES?*
- *How to avoid negative influence to neighboring markets?*
- *Whether and why the market needs coordinated capacity mechanisms?*
- *Whether the EU European policy supports investments in infrastructure?*

17:45-18:00 *Concluding Remarks of the Day*

Friday, 25th April 2014

9:00-10:30 **Session IV: FUTURE OF STATE AID FRAMEWORK**

Presentations, debate

Issues for the Debate:

- *How to restructure EU State Aid regulations to better meet the needs of the EU energy sector?*
- *What specifics of energy sector define the needs for change?*
- *What issues need a special attention in the new state aid framework?*

10:30-11:00 Coffee Break

11.00-11.30 KEYNOTE SPEECH

11:30-13:00 Session V: ENERGY PRICES AND COMPETITIVENESS

Presentations, debate

Issues for the debate:

- *How to reduce electricity price in the Europe?*
- *How to finance RES in the EU and national level?*
- *Which industries are most endangered in the EU?*

13:00-13:05 Conclusions and concluding remarks

13.05-14.00 Lunch
